NORTH GEORGIA COLLEGE

DAHLONEGA

GEORGIA

THE 1940 CYCLOPS

annual publication of north georgia college dalton, georgia

Bob Pittman, Editor
Sam Hinson, Bus. Mgr.

Today we give you the final product of nine months' work to meet with your approval or to undergo your criticism.

Our task has not been an easy one, but we have made every effort to combine our knowledge and ideas to give you an annual which will add shape to memory's pictures of your college days.

We only hope that the story of life and progress at North Georgia College will be more complete as we place this 1940 edition of the CYCLOPS upon the shelf beside those that have come before.

BOB PITTMAN
SAM HINSON

DEDICATION

"DADDY BARNES"

He will be remembered and honored for years to come, as he has been in the past, for his untiring and devoted efforts toward making our college one of the best in every respect.

Everywhere we turn, we see something of the splendid work that he has done. And since no story of North Georgia College would be complete without some remembrance of him, we dedicate this 1940 edition of the CYCLOPS to Professor J. C. Barnes.

North Georgia College was originally organized and administered on a military basis which system has prevailed from the date of its founding.

The college has been classified by the United States Government as an "essentially military college," being one of eight colleges in the United States so designated. It is the only one in Georgia, and, since "essentially military colleges" endeavor to emulate the traditions of West Point, North Georgia College has well been called "Georgia's West Point."

These titles are upheld through the Military Instructors, Major Matthews and Sergeant McConnell, who prepare an excellent training program for the Cadet Corps, and through the Cadet Officers and Non-Commissioned Officers who carry out that program.

Stunt night has become an annual event sponsored by the Physical Education classes. The athletic team, "Chatterboxes," took first place this year.

The highlight of the Winter Quarter was the original dances. First place was won by Kathleen and Marian Dobbs.

A May Day Festival was held this year for the first time in the history of the college. The King and Queen, Bill Perry and Marian Arnold, and the Maid of Honor, Fannie Bernice Griffin, were selected by a vote of the Physical Education classes.

Three athletic clubs were organized—Hiking, Bowling and Tennis, with Jeanne Lackey, Rebecca Hicks and Thelma Chambers as presidents of the respective organizations.

ON THE RANGE

RIFLE TEAM

THE TEAM

TENNIS . . .

Though handicapped by inexperienced material, the 1940 Tennis Team is expected to present a creditable showing. Battson, McClure, and Wellborn are freshmen who give good promise of development; but the cadets had only one returning letterman—Rittenberry. As we go to press, Wellborn, a freshman, is seeded ace courtman. Whether he shall hold this position only time can tell. Stiff competition may be expected from McCoy, Rittenberry, and Edwards, who have been seeded two, three and four, respectively. In descending order come McClure, Battson, Burt, and Arnold. These last four men are the unpredictable elements of the Tennis Squad, by virtue of previous victories on the courts. Battson should provide stiff competition for the number two or three post, having placed third in the fall tennis tournament. Wellborn and McCoy should remain consistently near the top. Doubles positions will presumably be handled by these top four.

The squad this year has at its disposal six new courts, which were secured primarily through the initiative and tireless energy of Coach Coker. These may be effectively utilized for major tennis matches which could not have been brought here formerly. Similarly, the players now have a greater freedom in practice. With the markedly pronounced emphasis that is being given court technique, tennis should develop into the major position that it deserves on the campus. With the constant infusion of material, Dahlonega will soon have the foremost junior college tennis squad in Georgia. McCoy and Rittenberry have proven their merits. Nineteen forty-one should bring forth a talented group garnered from this year's material. Much will be heard from them in that year.

SUMMARY

Indications for this year's cadet nine are highly favorable. With six lettermen returning, it is expected that the team will be one of the best ever assembled at Dahlonga. Handicapped for the past four years by ineligible lettermen and scanty material, the 1940 squad has broken clear, and should bring baseball to the fore at N. G. C. Paced off by Brogden, Morrison, Myers on the mound; and assisted by Scruggs, Woodliff, and Davis in the hitters' position, the team will be in good shape to grapple with the state play-off.

Though hampered by insufficient funds, Coach Coker has secured a schedule of fourteen of the best college teams in Georgia. Too much cannot be said for the highly commendable work he has done in baseball, as well as the other sports.

CO-ED SPORTS

9

10

11

CO-ED ATHLETICS

The Department of Physical Education for Women has for its purpose the rendering of a program that will mold character, develop bodies, and create and develop personalities. Activities that will be recreational as well as educational are offered. The program includes those things which will give the student a knowledge and a certain degree of skill in a variety of physical education activities.

Offered in the classes for the year 1939-40 were volleyball, basketball, tennis, softball, archery, badminton, ping-pong, hiking, folk clog and tap dancing, recreational games, relays, gymnastic exercises, and instruction in riflery. Intramural tournaments were held in most of the above.

1. Moore—for tennis. . . . 2. Badminton. . . . 3. Softball. . . . 4. They're off. . . .
5. Tennis. . . . 6. Saunders volleys it over. . . . 7. A crip for Carlisle. . . .
8. Coach Bruce. . . . 9. A sport for everyone, and everyone in a sport. . . .
10. A bull's-eye. . . . 11. Stone "strikes" again. . . . 12. Basketball.

12

INTRAMURAL SPORTS...

SOFTBALL

"B" Company began the year right by taking the first tournament in the intramural series. Colorful throughout, softball featured the brilliant playing of such baseball veterans as Scruggs, Ash, and a host of others.

BASKETBALL

After a bitterly contested struggle, Company "B" proved its merit, for they won by sheer stamina, persistence, and ability. Company "D" had covetous eyes on the crown, but bowed to the superior lads from the "B" barracks. Incidentally, most of the varsity was comprised of "B" Company men.

FRESHMAN BOXING

The season's greatest attraction—freshman boxing—wound up in a blaze of glory, with Company "D" in the fistic limelight. They amassed an easy margin in 1085 points to easily outdistance their nearest rival—"B" Company.

FALL TENNIS

Rivalry ran rampant among the netmen, as C. Wellborn of Company "A" defeated McCoy of "B" Company. Fast and skillful playing was the order, Wellborn eking out a hard won victory from a pressing field. Wellborn is our number one varsity man.

BOWLING

The company bowling tournament ended with Company "C" in number one position, by virtue of its stellar pin king—P. K. Phillips, who defeated Emory Marshall of "D" Company in the finals. Phillips never bowled before coming to Dahlongega.

OTHERS

Yet to come are pool, spring tennis, and wrestling. With a wealth of talented material, predictions are necessarily uncertain. Only time may indicate results.

THE NEW ARMY DRILL

New "Streamline" Army Drill Used By N. G. C. Cadet Corps

Sept. 28.—The Cadet Corps began the year with the new "Streamline" Army Drill which also went into effect for the Army, National Guard, and the R. O. T. C. on September first.

The new drill is much simpler than the old one, having eliminated "squads right," "squads left," and other movements which were hard to master. With very little instruction, the freshmen should be able to perform all the drill.

Twelve men are in the new squad, instead of eight men in the old drill with two groups of four abreast. The squad forms in one rank and marches in single file. In the platoon, the three corporals lead with the men of their squad following in single file.

When the company passes in review, the six corporals are abreast, led by the company commander and guided by the two lieutenants and two sergeants.

John H. Moore Gives Dormitory To The College Lumpkin Students Pay No Matriculation

Sept. 26.—Never forgetting how hard it was for his sister to get the money for a "matriculation ticket" forty-five years ago, Mr. John H. Moore, of Dahlonega, gave Moore Hall to the Board of Regents last June.

He stipulated that all graduates of Lumpkin County High School should be admitted to N. G. C. without matriculation fees, the cost of which should be charged against a set value of the building until that estimate is used up.

Moore Hall has been repainted. New windows, screens, doors, and beds have been installed, and the old facilities have been replaced. It has been rewired, and some of the larger rooms divided, making several small ones. In fact, Moore Hall is like new.

School Closes June 7-8, Ends Year's Work

June 1.—With Spring Quarter almost gone, students of N. G. C. can now look back on the work and play, joys and sorrows, of the entire school year.

Among the important events of the spring quarter was the Honor Day exercises, featuring the students on the dean's list for the first two quarters. Harmon D. Caldwell, president of the University of Georgia, was the speaker.

R. G. LeTourneau, millionaire road machinery manufacturer, spoke at the May 22 on the subject, "Falling in Love With Christ." Mr. LeTourneau is a feature speaker, having engagements for several months to come.

Commencement Week, June 7-8, will feature the dedication of the new library with noted educators and state officials present. Also during commencement will be the long awaited graduation for the sophomores.

Dr. Edward Mackay, of Atlanta, will be the speaker for the graduation exercises.

Y. M. C. A. Holds First Meeting

Sept. 26.—The Y. M. C. A. held its initial meeting of the year with the president, Bob Willets, presiding. An address of welcome by Donley followed a short business session.

Officers for the "Y" are: Bob Willets, president; Syd Dooley, first vice-president; Joe Batchelor, second vice-president; J. C. Tanksley, treasurer; and Charles Sorrow, secretary.

Ruth Linrud Plays Harp Solos

Oct. 4.—Presenting the first of a series of musical and dramatic entertainments, N. G. C. presented Miss Ruth Linrud in chapel today.

Using the large concert harp and the smaller Irish harp, Miss Linrud gave a delightful program of familiar melodies. She gave a brief history of the harp and explained its construction.

Among the familiar songs she played and sang were "Mother Marches," "Yearning of the Green," "Brabin's Waltz in A Flat," "Annie Laurie," "Way Down Upon the Summer's Eve," "Home on the Range," and "Bells of Saint Mary's."

Military Promotions

Oct. 10.—Major Matthews today announced the promotion of Cadet Major Ben Griggers to Lieutenant Colonel and Cadet Captain Joe Boyd to Major Executive Officer.

The promotions are in line with the new changes in the organization of the Army which places a Lieutenant Colonel in command of a battalion and the major as executive officer.

and Miss Julia Carroll, graduate of the College of Georgia Teachers College, secretary.

N. G. C. Welcomes Record Enrollment of 591 Students Talent Evidenced By Freshmen

Rev. George King Addresses "Y"

Sept. 28.—Reverend George King spoke to the Y. W. C. A. at its first meeting of the year held last night in the lobby of Sanford Hall.

Reading the "Y" are: Thelma Chambers, president; Becky Hicks, vice-president; and Louise Chambers, secretary-treasurer. Miss Beth Norman is faculty advisor.

Officers' Club Organizes and Selects Heads

Oct. 5.—The cadet officers held their first meeting of the year and elected Ben Griggers, president; Bill Perry, vice-president; Lee Sorrells, secretary; and J. C. Tanksley, treasurer.

The Officers' Club is composed of all commissioned officers and will add new members when permanent promotions are made.

Choral Reading, Dramatic Club Present Program

Oct. 27.—The Dramatic Club and the Choral Reading Club, under the direction of Prof. Cottingham and Calhoun, gave an entertaining first presentation of the year.

Two spine chillers, "The Opening Door," and "Three Friends," were presented by the Dramatic Club.

The Choral Reading Club gave excerpts from "Congo" and "Nelson's Ghost" in a weird, rhythmical chant.

Wellborn Wins Tennis Tourney

Nov. 9.—Carlton Wellborn, Company A, won the fall tennis tournament by defeating Jimmy McCoy, Company B, 7-5, 6-3.

McCoy advanced to the finals by defeating Tom Edwards, Company A. Wellborn became a finalist by defeating Johnny Battison, Company C.

Over a hundred and three entered the fall tournament and many prospects for the intercollegiate team are seen in the outstanding players of this tourney.

Sigma Theta Opens Year

Sept. 28.—Sigma Theta Fraternity opened the year headed by a well known group. Officers are: Ben Griggers, president; Bill Perry, secretary; Lee Sorrells, treasurer; Jack Martin, sergeant-at-arms; and Bob Pittman, chaplain.

Sigma Theta looks forward to a bigger and better year than ever.

118 Counties, Nine States Represented

Sept. 28.—A formal welcome was extended the 1939-40 student body of N. G. C. in the first chapel gathering by President Rogers, Dean Simmons and Chancellor Sanford.

All records were surpassed as a record enrollment of 591 cadets and co-eds entered N. G. C. Of this number 412 were cadets and 179 were co-eds. For the fall quarter of 1938-39, 370 men and 165 co-eds were enrolled, making a total of 535.

The dormitories were filled to capacity and accommodations were secured in town for a large number long before the opening of school.

Of the record enrollment, there are 118 counties in Georgia represented, as well as nine other states, the District of Columbia, and Cuba.

Talent and ability are in evidence among the seemingly "green" freshmen, and the various organizations on the campus are providing excellent opportunities for the expression of these.

Chancellor Sanford Welcomes N. G. C. Student Body

Sept. 28.—Chancellor of the University System, S. V. Sanford, formally welcomed the student body to N. G. C. today. Chancellor Sanford was introduced by President Rogers who commented on the campus as a statesman and an educator.

Dr. Sanford cautioned the students to be fully prepared to meet the responsibilities imposed in higher education. He said that students should not forget the importance of extra-curricular activities, and more particularly, the valuable supplementaries of the church.

Accompanied by their wives, Dean Sanford and President Rogers looked at the progress made on the new library building.

Freshmen Abolished

Oct. 5.—According to rules and regulations adopted by the officials of N. G. C., "freshmen" no longer enter this institution. Instead, they enter as "first year privates" or "recruits."

ARMISTICE DAY CELEBRATION
Hon. George Hains, third from left, is shown as the staff greeted him

Hains Urges Military R. O. T. C. Training On Armistice Day

Nov. 11.—Hon. George Hains, of Augusta, delivered an Armistice Day address on patriotic preparation against war in the auditorium.

In the program presided over by Major Matthews, Mr. Hains was convinced of the necessity for national defense and strongly encouraged participation in R. O. T. C. work where training can be given. He said he was aware of the possibility that the United States might participate in the European war and that the youth must recognize its position.

Clara Lavender Wins 4-H Contest, \$200 Scholarship

Dec. 5.—Clara Nell Lavender won a \$200 scholarship at the National 4-H Club Congress in Chicago.

She received the state crown last month and left December 1 for the ten-day trip to Chicago, Detroit, and Canada. A member of the 4-H Club for six years, Clara Nell canned 4.76 pints of food worth \$400.

Sigma Theta Pledges Elect Officers

Nov. 13.—Sigma Theta Pledge Club elected the following officers to serve for the year: Hugh North, president; Curtis Kell, vice-president; Jocko Chapman, secretary; and Frank Garrison, treasurer.

Coker Gives Kell and Martin Some Last Minute Instructions.

Candidates Chosen In Class Elections

May 25.—Lacking co-ed candidates, the class election on May 30 promises to be hotly contested in the other campus groups.

Candidates are: Bill Merriam, Frank Garrison, and Ed Cunningham, president of student body; and for sophomore class officers—Ed Porter, G. C. Duster, and Billy McDavid, president; John Peck, Gene Roberts, and H. M. Earfield, vice-president; Lawrence Askew, Hugh North, and C. Morrison, secretary; Carlton Wellborn, Billy Gentry, and Emory Marshall, treasurer.

Cadets Win State Junior College Tennis Tourney

May 18.—North Georgia College's tennis team became the Georgia Junior College tennis champions by defeating the South Georgia Tigers, 6-1, in the finals of the Georgia Association of Junior Colleges Tournament, in Dahlonega.

South Georgia recently won the Southeastern States Junior College Tournament, and the Cadets' victory proves them superior players to any of the junior colleges.

North Georgia advanced to the finals by defeating Abraham Baldwin.

Rex Welcomes Large Group

Oct. 26.—Rex Fraternity welcomed a large group of freshman pledges into the club last night. In addition to this group, a large number of sophomores are already pledges.

Hugh Hilliard is president of Rex this year and with his officer associates, Winfield Meadors, secretary, and Sam Hinson, treasurer, show promise of being campus leaders.

Col. Richmond Inspects College

Nov. 29.—Col. Harry R. Richmond, Fourth Corps Area R. O. T. C. head, made his annual inspection and praised the unit highly.

Telling his last year's "line," Col. Richmond said that he had never seen a better unit with so much cooperation among the officers. He praised the first sergeants, saying that it took a man of character and ability to hold that position.

Sigma Theta Pledges 101

Oct. 25.—Sigma Theta Fraternity surpassed all records for the club when one hundred and one men pledged Wednesday night. This was a substantial increase over last year's number.

Hanscom Presents Play, "Rip Van Winkle," Here

Nov. 13.—The play, "Rip Van Winkle," was presented by the Hanscom Players to a large group of the student body Monday night.

Rip, without a doubt, is the only one that has been here and got more than seven hours' sleep.

"Coach Junior"

Nov. 25.—The Cokers received their little "bundle from heaven" November 25, weighing eight and one-half pounds.

Coach said his name was "Coach Junior."

N. G. C. Students Visit The Rich Calhoun Mine

Nov. 26.—N. G. C. cadets and co-eds visited Calhoun Mine, scene of the discovery on November 15 of a lode of bonanza ore which assayed above \$60,000 per ton. All were allowed to go down to the mouth of the mine where the gold was sandwiched between layers of quartz.

North Georgia College owned this century old mine, having been donated by J. A. Bostwick, but in 1898 the college officials sold it for the sum of \$10,000.

N. G. C. Band Hears U. S. Navy Band Play In Decatur

Nov. 10.—N. G. C.'s Band went to Decatur to hear the U. S. Navy Band, directed by Lieut. Charles Bender.

The program contained marches, operatic and symphonic numbers. "Anchors Aweigh" was played and dedicated to the N. G. C. band.

PIONEERS . . . Two N. G. C. Cadets Get Lost In Hills Near Here

Nov. 21.—Two of the N. G. C. Cadets, Alton Stewart and Harold Barron were "feeling O. K., except a little sleepy" after being lost all night in the hills near Dahlonega.

Stewart and Barron were among the group of students attending "open house" at the Calhoun Mine, scene of the recent discovery of a vein bearing gold ore worth more than \$60,000 per ton, and became lost when taking a short cut through the mountains on their return trip. When their absence was discovered, searching parties were sent out without success, but they were found Sunday morning by Sgt. McConnell and a party.

They told of walking until about 1 or 2 o'clock and trying to sleep, but the cold and a "wild cat" (they thought) prevented, and they waited for dawn. They were a little scared, but felt little worse for the experience.

ELECTION DAY AT N. G. C.
Shown is the crowd "Politicizing" outside the Students Exchange, where the polls were held

Bill Perry, Billy Gentry Named Student Officers In Colorful Class Election, Rivalry Keen

Nov. 21.—After much politicking, handing out cigars, and back slapping, the students went to the polls on November 15 and elected the president of the student body and the freshman class officers.

Bill Perry defeated Sam Hinson and C. C. Gay in the race for president of the student body.

Billy Gentry out-polled Johnny Batson to become president of the freshman class.

Frank Garrison won the office of vice-president by defeating Ed Flanders.

Hugh North was victorious over Johnny Peck in the race for freshman class secretary.

O. E. Wilson defeated Harry Murray to become treasurer of freshman class.

Rivalry was keen in this election and posters appeared long before the election was scheduled. In last minute efforts to swing the votes, Sigma Theta rigged up a

loud speaker to furnish music and political speeches for their candidates, while Rex brought out a special band.

The co-eds, evidently shy of politics this year, did not even enter a candidate.

With the election over, the many outstanding platform promises as outlined in chapel the day before were quickly forgotten, especially by the candidates.

CALHOUN MINE

This photo shows the N. G. C. students as they swarmed around Calhoun Mine. In the lower right is a group waiting to go down the steep incline to the vein

Coach Coker Gives Sweaters To N. G. C. Athletes

Nov. 28.—Coach Shaull Coker presented sweaters to eleven athletes of N. G. C. at chapel exercises today.

The sweaters, royal blue with a large white "D," were given for outstanding contributions to sports at the college.

Coker said, "Freshmen usually think the sophomores have positions 'sewed up' on the teams, but that is not the case. Freshmen have just as good a chance as sophomores to make the team."

The members receiving sweaters and the sports which entitled each to a sweater are: Stanley Bishop, baseball; Edison Brogdon, baseball; John Hayes, baseball; John Davis, baseball; Robert Scruggs, baseball; Elgin Rittenberry, basketball and tennis; Lee Sorrells, manager of the rifle team; Lawrence Bray, baseball; and G. W. Duggan, intramural manager.

New "D" Club Head

Jan. 23.—New officers elected by the "D" Club after the withdrawal of the president, Stanley Bishop, are as follows: J. C. Tanksley, president; Lawrence Bray, vice-president; Edison Brogdon, treasurer; and John Davis, secretary.

Rev. George King Presents "I. Q."

Jan. 30.—The Reverend George King presented a new and unique chapel program when he gave a "Dr. I. Q." of Bible questions and a reward of Milky Way for the correct answers.

As did Leonard Boyd, several went down without an answer and were content with suckers.

Camera Club Elects

Jan. 16.—Officers elected by the Camera Club during the winter quarter are: Bob Foster, president; Jamie Connell, vice-president; Hugh Gillham, secretary; and Jack Hall, treasurer.

Willett Presents Bazaar In India

Dec. 13.—William S. Willett, retired industrialist of India, gave a program, "Bazaar in India," in chapel showing numerous articles of interest from that country.

He told of the splendor of the Orient and the thrills associated with real jungle experiences. In his exhibit were rugs, knives, articles of clothing, dishes, weapons of war, opium pipe, and the skin of a large man-eating tiger killed by him.

14-Inch Snow Blankets N. G. C. Provides Fun

Jan. 23.—After two days of snowing the ground is covered with about 14 inches of snow, presenting a beautiful sight. Trees, shrubbery, and bushes are laden with the snow and look very much like Christmas trees.

Camera fans have all they have wanted for all the winter for some excellent pictures. Interesting shots of scenes, snowball fights, sledding, and just posed shots are being taken on every hand.

The military department has called off all formations and uniform regulations have been dropped in favor of any clothes that the students want to wear for their warmth. Boots, boot pants, jackets, and red hunting caps are the usual costumes for the boys, while the girls become "Coverall Cuties."

Unlike the 2-inch snow of January 7, no snow ball throwing is allowed, nor is there any sledding.

Mail is hours late, or none at all. The thought of no free week-end this week is beginning to plague many of the students.

Probably one of the deepest snows ever seen here, it has been a treat for N. G. C. students, many of whom have never seen snow before.

Matthews Lectures

Feb. 27.—Major Matthews gave an interesting talk in chapel, discussing the subject "Our Neighbor, Mexico."

Major made a trip to Mexico last year and was well acquainted with the subject. He illustrated his talk with souvenirs that were brought from that country.

MAJOR BOYD

Boyd Recovers

Dec. 11.—Major Joe Boyd returned today from Downey Hospital, Gainesville, after an attack of appendicitis and a subsequent operation. His rapid recovery is remarkable.

Prof. Calhoun Attacks Drawl

Feb. 8.—Prof. R. D. Calhoun made a venomous attack on Southern drawl and its lip-laziness and tongue-drooping. He also discussed the dislike for hemmin' and hawwin', mumbling, whining, drawing and other deplorable characteristics of bad diction.

GLENN MORRIS ELECTRICAL SHOW

Glenn Morris Shows Electric Marvels

Jan. 18.—Many of the marvels and wonders of the electrical world were displayed by Glenn L. Morris in an original electrical show.

By using different kinds of electrical apparatus, Mr. Morris gave demonstrations which appeared to be magic. Obeying his every command, the mysterious electrical displays seemed to be held in the power of Morris.

Some of the spectators who volunteered to go on the stage were rather "shocked" by the demonstrations.

Jack Rank Gives One Man Version "Taming of Shrew"

Feb. 16.—Jack Rank presented a one-man version of Shakespeare's "Taming of the Shrew." Presentation of the play was entirely by Mr. Rank, while several assistants helped him backstage.

Portraying a young woman in one scene, Rank would be back on the stage in a few seconds as an old man. His ability to change costumes,

Pan-Hellenic Council Formed

Jan. 16.—Joining the two fraternities, the Pan-Hellenic Council was formed to more efficiently direct their joint functions.

The council and its officers are as follows: Hugh Hilliard, president; Bill Perry, secretary; Lee Sorrells, treasurer; Ben Origgers, Sam Hinson, and Winfield Meadows.

Hugh McWhorter Pays Aerial Visit To N. G. C.

Feb. 10.—Hugh McWhorter paid North Georgia College and Dahlonega a visit in a blue observation plane about time for Church formation on Sunday. He performed his aerobatics, including flying between the flag pole and the steeple, and held the interest of the students with his exhibition for quite a while.

All the time, Bailie was instructing him to land, but he obviously misunderstood the signals.

The sight of a plane in the North Georgia hills was an extraordinary thing to the students.

Collins Speaks

Feb. 12.—Dr. M. D. Collins, State Superintendent of Schools, in a Georgia Day address, told what was "right" about the Georgia school system today.

He told of the many problems facing everybody in the educational world.

SANFORD HALL SNOW QUEENS

Jane Mathis and Martha Sue Moore try a little playing in the snow in appropriate costumes

Stuart Carnes Tells Of Lost Yucatan Empire

Feb. 5.—Dr. W. Stuart Carnes, explorer, archaeologist, traveler and lecturer, gave an intriguing talk in the auditorium about the lost empire of the Yucatan.

Having made several trips into the interior of this mysterious country, Dr. Carnes was well acquainted with its many interesting places and

showed movies of many of them.

The Well of Death, as described by Carnes, is a Robert Ripley "believe it or not."

Lieut. Reynolds Discusses Coast Guard Academy

Feb. 20.—Saying that he had only information about the Coast Guard Academy to offer the cadets and "as for the co-eds—I can't give you anything, but I love," Lieut. Reynolds of the Coast Guard addressed the students in the auditorium.

He discussed life at the academy, the work of the Coast Guard, and then said, "We will now show you some shots of the service," I mean, some shots of the service.

Glee Clubs Present Secular Program

Feb. 27.—The Choral and Glee Club presented their first secular concert of the year with Ben Parks, Mary Alice Anderson, and David Groves as soloists.

Prof. Dismukes directed the chorus and Prof. Flinders accompanied.

voice, and appearance was almost like magic.

LINDA

Linda

Feb. 5.—Sgt. and Mrs. Richard S. McConnell announce the birth of a daughter, Linda, on February 4, at the Downey hospital in Gainesville.

Linda, slightly noisy at times, was on the guard report in a short time. The offense was "disturbance in the barracks."

LINDA . . .

Late at night from Sarge's window, Comes the high pitched voice of Linda.

Seems that Dismukes should commend "er On the way she hits high C. Like a sentinel, Sarge is walking

Back and forth, and gently talking

Baby talk to stop her squawking Every night from twelve to three.

—Twin Horn.

Cadets Meet Wadlow, World's Tallest Man

March 7.—Several cadets accompanied Sgt. McConnell to Gainesville for an interview and pictures of Robert Wadlow, the world's tallest man.

Wadlow is a lad, 22 years old, that has reached the almost unbelievable height of eight feet, nine and one-half inches. Weighing 491 pounds, Wadlow eats but little more than the ordinary person. His feet and hands are enormous, and he wears a size thirty-seven shoe.

The only wearing apparel that he can buy from an ordinary store that will fit him is a belt and a handkerchief.

Students Celebrate Return of Spring

May 9.—Students of North Georgia College for the first time in the history of the school celebrated the return of Spring with a May Day Festival. Captain Bill Perry and Marian Arnold were crowned King and Queen of the May in exercises held on the campus.

The King and Queen were crowned by the co-eds in a chapel election.

Maid of Honor was Happy Griffin, president of the Rec Club.

The scene of the pageant was laid on the front campus and the procession appeared from the Price Memorial building and traveled slowly to the throne at the tennis court.

The century old tradition was directed by Miss Sara Bruce.

THE ANNUAL CADET BUGLER

JAMIE CONNELL,

Editor

Y. M. C. A. Sponsors Religious Emphasis Week April 19

April 19.—Religious Emphasis Week, sponsored by the Y. M. C. A., conducted religious programs in the auditorium for the past week.

Rev. Fulton C. Lytle, of Griffin, was in charge of the programs.

Devoted to bringing the students in closer contact with the Deity, the programs were of much benefit.

Physical Education Classes Present Annual Stunt Night

Feb. 29.—Under the direction of Miss Sara Bruce, the Physical Education Department presented the annual Stunt Night in the auditorium.

The "Chatterboxes," headed by Fannie Bernice Griffin, won first place in the presentations with the typical "Ball Session" in the boys' dormitory and the scene, "Hogg's Dream."

Second place was won by the "Confidant Comets," captained by Thelma Chambers, presenting the scene "Corn Shuckin' Time."

Hicks' group, the "Mortimer Mites," took third place with their "Snead Family Reunion."

The "Clutching Hands," under the direction of Bill Pittman, won fourth place with scenes characterizing the co-eds' day in "A Keyhole View of N. G. C."

The Rambler

By "COLONEL" DOOLEY

FRESH FROM THE DELICIOUS glamour of languorous summer, several hundred bewildered neophytes of intellectual aspirations disesteemed the customary diurnal movement and traversed the tarnished trailways to Dahlonega. Flush with the flowing fluency of virile verbosity they ruminated upon the scintillating symmetry of entrenched college idealism, and recessive personalities and dominant actualities, and wriggled in positive anticipation. But what now . . . ?

THE TRIUMVIRATE INVESTIGATES! The Messrs. Hoggis and their alcoholic comrade, the little man who sees nothing, tells all, have recently concluded an extensive investigation in the realms of "The Sims Men of Science" program. Being in an intriguing state of mysticism as regards the recent silk of the ladies' nether garments, these two forward lads strode forth purposefully to assuage their questionable inquisitiveness and produced among others, the following astounding result: That crazy Cross person promenades around in, of all things, a checked and grained suit of lingerie done up in the devastating charm of purple and green.

Journal Roto Shows College

March 25.—As the Atlanta Journal Rotogravure section says it, "North Georgia Ho!" Showing where to go when your gypsy blood starts running, the page in the "Brown section" showed a parade scene as the colors passed by, a group of co-eds watching the parade, the Calhoun nurse, and Lawrence Bray, Bonicle Lawson, Ed Herrin, and an Atlanta visitor, wading in Cane Creek Falls.

Choral Club

Sings Over W. S. B.

March 24.—Broadcast on a national hook-up through the facilities of WSB, the Choral Club sang at the Easter Sunrise Service at Wadlow's Gap.

They rendered the special numbers: "Now Let Every Tongue Above Thee," "Blessed Day," and "Adoramus."

The program was scheduled to be on the Gap where the sun could be seen as it rose, but the snow and rain prevented this.

Officers' Club Presents Cottie Clark At Dance

March 2.—The Officers' Club presented Cottie Clark and her Georgettes in its second dance of the year.

The staff, directed by Bob Pittman, decorated the gym and carried out the military motif excellently, using crossed sabers and the color scheme of red, white and blue.

The all-girl orchestra played a great variety of pleasant music, including the singing of "Oh, Johnny," with Major Matthews and the dedication of "Cotton-Headed Daddy" to Bill Perry.

THAT SVLTE "WRECK" CLUB is now setting the pace in the world of fashion, "chic and general duplicity. Realizing their escapades of the recent barometer catastrophe to be indicative of childish motives, the coverly ladies have now descended to the realms of domesticity to prepare for the routine of wifely comradeship (they hope). Miss Christa Eulentyne Wayne the sophisticated spear-point of this current whim, Miss Wayne's catholicity of tastes has been broadly expanded to include anything from Rembrandt to Beverly "Sot" Hayes.

WHILE THE ANGELIC Battson dimples his cherubic countenance and beams mightily over his subjection of the temperamental Cross individual, her smooth-worthy comrade—the titillating exponent of vinegary vindications—has exerted a shrewd back and laid flagrant double-cross midst the fore of the sophomore ranks. From sophisticated to naïveté, our Flora Bomber has made rapid transit and dealt swift captivation to the astounded Freshman Williams. In the interim, K. Stone is "burning Bridges behind her," for it man is easily given with the torrid woo.

Pan-Hellenic Council Presents Emory Aces At First Dance

Feb. 10.—Pan-Hellenic Council presented Emory Aces at its first dance, attended by one of the largest group of cadets, co-eds, and visitors ever seen at an N. G. C. dance.

The gym was decorated with hearts and streamers, giving a Valentine atmosphere to the occasion. Each end of the gym was graced by two cupids and the goal posts were attractive with hearts, cut out to show an old-fashioned silhouette, on each one.

During a special dance for both Rex and Sigma Theta members, all lights were extinguished except a blue floodlight which was played over the dancing couples.

Major Loughlin Inspects Battalion

May 25.—Major Charles Loughlin, of Wadlow College, was the inspector for the annual Government Inspection.

Inspection and physical drill, organization drill, and military theory, were examined and graded to determine the status of the college as to the rank of military institution.

Sergeants Organize

March 27.—The Sergeants' Club was organized with the following officers at the head: Travis Sanders, president; Winfield Meadors, vice-president; Hugh Gilliam, secretary; and Jamie Connell, treasurer.

Already slated are several outstanding socials.

STUART CARNES
Lecturer on Yucatan and His Animal

Easter Brings Freak Weather

March 24.—Braving the Easter morning snow, sleet and rain, the co-eds held their Easter parade and went to church in new Spring outfits.

It was snowing, raining and sleeting early Easter morning and continued until about noon.

The green grass, and the budding trees were a peculiar sight blanketed under a layer of snow.

Snow and Rain Couldn't Keep These Two In

Lippincott Magic

March 6.—Lippincott the magician appeared in the auditorium for the benefit of the athletic association. His escaping from a heavy box, in addition to pulling five fish from the air, was a feature.

"Quare Medicine," Comedy, Presented

April 4.—The one-act comedy, "Quare Medicine," directed by Prof. Cottingham, was presented in chapel with Wilburn Mobley, Willene Plunkett, Hugh North, and Lamar Overstreet in the cast.

Camera Club

March 26.—The Camera Club elected for the Spring quarter: Hugh Gilliam, president; Jamie Connell, vice-president; Edward Whiddon, secretary; and Jack Hall, treasurer.

FRIENDLY BUSINESS . . .

● As the years roll by and you look back on these days in college as the "happiest days" of your life, days when the warmest friendships were made, when you laughed and loved, and lived, free from care and worry, when the weather didn't bother you and the stock market couldn't faze you, think back upon these gay hours spent in *Smith's*. It was here friends met and discussed campus matters, it was here you invariably took your date and discussed things other than politics as you paused to refresh yourself with a dish of Southern Dairies Ice Cream, a cup of coffee and a toasted sandwich, etc., or whiled away an hour at billiards.

● Yes, happy days those were—and their memory is made all the sweeter by those eternal tokens of friendship and love — COLLEGE-SEAL jewelry and stationery.

● We have thoroughly enjoyed being host to the Corps of Cadets and the Co-eds. To the graduating class, we offer our congratulations; to the first year students we say that we will look forward with pleasure to seeing you again next year.
